#### The 10th EUROPE OCEANIA DENTAL & LEGAL CONFERENCE

#### THE 3 VALLEYS (Val Thorens), FRANCE

Saturday 31 March 2012 - Saturday 7 April, 2012 (Easter Saturday)

(Pre-Easter Week)

(Note that post-Easter our **Berlin Dental & Legal Conference** runs from 9 – 16 April 2012)

This will be the 10th Europe Oceania conference held in the week before Easter, this time in France in The 3 Valleys (Les 3 Vallées) resort of Val Thorens. We have now run over 100 international conferences over the last 16 years. This conference has now become an institution and as far as the future can be predicted will continue annually for many, many years. The best endorsement for this conference is that many delegates have returned for the 5<sup>th</sup> & 6th time. Most importantly it's been a success because of the high quality of the papers & presenters; not just the location.

The academic and professional program has always been the centrepiece of our conferences, but an equally important part is the networking activities we organise outside of the formal program. Over the years many delegates have forged professional links with other practitioners arising out of meeting for the first time at the conferences. The synergy of dental, medical & legal practitioners at these conferences has led to a greater understanding of each other's role and broken down many barriers. Delegates have also reported that the informal interaction with other delegates has led to an exchange of ideas and methodologies, and an enhancement of professional camaraderie among fellow practitioners including referrals both fellow dental, medical practitioners and lawyers.

Val Thorens is the highest alpine resort in Europe (2300m altitude) offering heaps for non-skiers and skiers alike. Non-skiers can take a cable car to the roof of the world, take in lunch or coffee on the slopes, do tobogganing or snow walking. There's superb doorstep skiing forming part of the huge Les 3 Vallées linked ski area. With over 600km of piste, it is the largest linked ski area in the world. Set in a huge ski bowl, with runs fanning out in all directions, Val Thorens was a site for the 1992 Winter Olympics. Snow conditions are excellent throughout the season, late March early April being an ideal time to be there. Les 3 Vallées has some of the most amazing skiing you will ever encounter!

Other facilities include a sports centre with indoor swimming pool, sauna, squash, tennis, fun park and outdoor skating rink. Hang-gliding, snow scooters, paragliding are also available. The cinema has many films in English, plus you can sample the varied cuisine or go shopping in the arcades and stylish boutiques. Children are well catered for with locally run facilities such as the new toboggan area in the middle of the resort (Place Caron) which is great fun for children (from the age of 2). As for the over eight year olds, they can enjoy the incredible sensations of the highest & longest toboggan run in France!

### ACCOMMODATION

We can offer a range of accommodation to suits all tastes and budgets.

**"Val – Chavière"**: Our main conference accommodation in 2010 was the delightful hotel "Val – Chavière", a 3 star property in a superb ski-in/out location with tremendous views of the mountains, located on the slopes as well as being only a few minutes from the resort centre. The Val Chavière offers a very warm welcome and a friendly relaxed atmosphere in basic yet comfortable accommodation. The rate for a Double room in 2010 was \$320 per night, including dinner bed & breakfast.

**"Le Val Thorens"**: Offering a higher standard of accommodation the charming hotel "Le Val Thorens", shares the great doorstep skiing location and close to the town. This hotel boasts facilities such as Piano Lounge and a Fitness Centre which includes a sauna, whirl-pool bath and relaxation room – both to help you relax and unwind after a good day on the slopes! 2010 Rates were \$550 per night for a double room including dinner bed & breakfast.

**L'Oxalys**: At the upper end we have the delectable L'Oxalys, providing luxury chalet apartments on the slopes for 2-8 people. This exquisite residence has a renowned Michelin starred gourmet restaurant and also a relaxation centre with its pool, spa, hammam and sauna and "Oxalys Spa" (limited access by reservation). Rates are available on an individual basis by request; in 2010 they started at \$490 approx per night for a 2 person apartment (no meals, towels and linen provided).

Prices quoted here are based on 2010 season rates, they may vary & tourist tax may apply payable locally. Child discounts are available. Please enquire with our office for a quotation for your specific requirements.

**All prices are subject to room availability and exchange rate variations**

## HOW TO GET THERE

---

There are a few transport options for getting to the conference at Val Thorens, the decision on which is best for you will probably initially depend upon your international flight connections and times, or whether you are travelling from somewhere else within Europe. The best airports for international flights are Geneva, Lyon or Paris. Geneva is 150km or about 3.5 hours by road and a really nice place to incorporate a stopover prior to or after the conference. Lyon is 180km away or 3 hours by road. Paris is always a great stopover at either end of the our conference plus Paris has train connections to Berlin, the venue for our post Easter conference. There are many trains between Paris and Moutiers, which is the main resort train/transport gateway, 37km or a 40minute-1hr journey away from Val Thorens. (Trains run from Moutiers to other major cities and Geneva/Lyon Airports). Our office can advise and can provide booking services for most transport arrangements.

**Car Hire** If you would like to drive yourself to the resort, cars can be hired via our office. Please note the resort of Val Thorens is a pedestrian resort. All cars must be parked in one of the open or undercover car parks in and around the resort. [www.valthoparc.com](http://www.valthoparc.com) provides current prices and reservation facilities.

## REGISTRATION

---

Registration cost is \$AUD1100 for single registration or for multiple registrations, \$AUD850. Accompanying persons not needing formal registration are free and are welcome to attend all functions and sessions. Please note that rooms will be allocated strictly in accordance with the receipt of the registration fee. If for any reason you wish to cancel your registration (even at the last minute), we will refund your registration fee less an \$AUD100 administration charge. Accommodation once paid can only be refunded at the hotel's discretion.

## ACCREDITATION

---

As of 1 July 2010 all dentists must complete 60 hours of Continuing Professional Development (CPD) over 3 years as a condition of re-registration as a dentist. Apart from such specific topics our conferences generally qualify for the 20% of your compulsory CPD point requirement which is not clinically or scientifically based as they are about how the law affects the practice of all aspects of medicine. Dentists now regularly attend our conferences to gain a portion of their CPD points. Some CPD point sessions at our conferences are clinical eg at our next Val Thorens conference in France in the week before Easter 2012, a European expert gives a paper on dental implants. Other papers have included the medico-legal aspects of dentistry relating to dentists and anaesthesia. Similar papers will be delivered at this conference. For CPD requirements visit [www.dentalboard.gov.au](http://www.dentalboard.gov.au)

## TRAVEL REQUIREMENTS
